## National Recreational Boating Safety Survey

In this survey, we're interested in whether people spent time out on the water in/on recreational boats. This includes boats that are rented—such as canoes—or boats that are privately owned by you or someone else. This does not include boats that are used to make money, such as captained charter or party boats, tour boats, ferries, or cruise ships. We would like the adult in the household who knows the most about the boating activities of people living in the household to answer this survey.

- *Recreational boats include: open power boats (e.g., bass boats, ski boats), cabin power boats, pontoon boats, air boats, house boats, personal watercraft (e.g., WaveRunners, Sea-Doos), sail boats, canoes (including inflatable canoes), kayaks (including inflatable kayaks), paddleboards, row boats (e.g., jon boats, shells, sculls), and inflatable boats (but not inflatable tubes).*
- *Please think about all time spent out on the water in recreational boats. Even if none of the members of your household participate in boating, your answers are important.*

1. Did you go out on the water in/on a recreational boat from January 1, 2018 to March 31, 2018? This includes powerboating, sailing, jet skiing, rowing, paddling (e.g., canoeing, kayaking, and paddleboarding), or fishing or hunting from a private boat. *Choose one.*

- ☐ Yes  
☐ No [SKIP TO QUESTION 3]  
☐ Don't know [SKIP TO QUESTION 3]

2. How many days did you go out on the water in/on a recreational boat from January 1, 2018 to March 31, 2018?

\_\_\_\_\_

3. Including yourself, how many people currently reside in your household? Please include everyone who is living or staying here for more than 2 months, whether they are related or not.

\_\_\_\_\_

## About Members of Your Household

Next, we'd like to ask about the members of your household. If there are more than five members in your household, after listing yourself, please list the four household members from oldest, then second oldest, and so on.
