Grant Title: National Estimate of Life Jacket Wear Rate

Award Amount: \$220,000.00

Synopsis:

JSI Research & Training Institute, Inc. will conduct the 2017 National Life Jacket Wear Study. The study involves observations of life jacket wearing behaviors from shore locations at 124 sites across 30 states during the summer months. This study provides important trend information to the U.S. Coast Guard and other boating safety advocates on increases in life jacket wear behavior. In addition, JSI will continue the process of transitioning data collection functions to the Coast Guard Auxiliary.
